Reconsideration of the application is requested. Claims 2 through 10 are now the only claims retained in the application.

Claim 1 has been cancelled.

Claims 4 through 10 were indicated to be allowable, and the allowance of these claims is hereby acknowledged.

Claim 4 has been amended to correct the spelling of the word "crates".

Claims 2 and 3 have been amended so as to render them dependent upon allowed Claim 4.

Therefore, Claims 2 and 3 are considered to be in proper form for an expressed allowance.

As Claims 2 through 10 are directed to indicated allowable subject matter and/or a claim dependent upon an allowed claim, it is submitted that the application is now in proper form for an expressed allowance and a prompt notice of an allowance is earnestly solicited.

Respectfully submitted,

ARTHUR T. FATTIBENE,
Attorney for Applicant
